****

This writ petition has been filed by petitioner Lat Sahib Soni who has challenged the order dated 5/7/2007 directing that if there is existence of any vacancy of the route Pilani-Chandigarh via Luharu, application should be invited.

Learned counsel for the petitioner in the course of arguments submitted that he does not seek to challenge that order. He submits that for the same route his application filed on 26/6/2007 is pending before STAT and therefore a direction may be issued to that authority to consider and decide that application.

Shri K.C. Sharma learned counsel appearing for Regional Transport Authority has clarified that pursuant to the directions issued by the STAT on 5/7/2007 which is under challenge in this petition, a notification has been issued for inviting applications on the route in question on 10/7/2007

and petitioner has also applied in response thereof. In fact, he submitted that the application of the petitioner as also other applications received in response to the aforementioned advertisement are likely to be taken up for consideration.

In the facts of the case, it is directed that application of the petitioner shall also be considered when other applications are taken up for consideration and appropriate orders thereupon shall be passed in accordance with law.

With this observation, the writ petition is disposed of.
